

# February

## 2016 Mathletics Activity Calendar

February is national boost your self-esteem month!  
Show your good character by being responsible, respectful,  
and kind to all classmates and Mathletes!

Powered by  
**Mathletics**

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	1	2 <b>Groundhog Day</b> Will he see his shadow? Look up Calendar in Concept Search and find out how many more days of winter there will be. When will be the first day of spring?	3	4	5 <b>Body Break</b> Get out of your seat and start asking your friends what they do to keep their heart healthy. Record your results in a graph. Hint: Look up graphing terms on Mathletics to help!	6
7	8	9 <b>100th Day of School!</b> You did it! Collect 100 points today, 100 credits, and earn 100% on a curriculum activity. You can even make your avatar look 100 years old.	10	11 <b>Darwin Day</b> Today is a global celebration of science and reason! Have you checked out our Into Science program? Ask your Mathletics contact for more information! *Cross-curricular activity*	12 <b>Wear Red Day</b> Today is all about the colour red, or maybe a dark shade of pink! Dress your Avatar accordingly.	13
14 <b>Happy Valentine's Day</b> Show your love for Mathletics! Share a picture or video on our Facebook page showing us how much you LOVE our program.	15	16 <b>Have You Been Practicing?</b> Create a friendly math challenge at your school!	17	18	19 <b>World Thinking Day</b> Time to put your thinking cap on... Complete 3 Problem Solving Games!	20
21	22	23 <b>Blog Tips:</b> Check out the 3P Learning blog today to find out the latest Mathletics news!	24	25 <b>Polar Bear Day</b> Polar Bears live in the far North. Search for a compass in your Concept Search to explore different directions.	26	27
28	29	<p><b>Teacher Tip:</b> You have access to K-12 eBooks. These are downloadable PDF workbooks. Did you know you can find an assessment in the Teacher eBook? Use this as a summative or as a guide for a performance-based assessment.</p>			<p>www.mathletics.ca www.spellodrome.ca www.intoscience.com</p> <p> 3P Learning</p>
